

Crowthorne Carnival Committee needs your help

For those who may be new to the village or have somehow lost track of time, Crowthorne has a traditional carnival every two years. That cycle has unfortunately been interrupted due to Covid 19 and therefore the next event is planned for July 2022.

But a carnival only ever happens because of the work of a small group of people and right now the number of willing hands is too small, putting the Carnival's future at risk. Accordingly, we are looking for some additional help and hopefully with Covid 19 behind us there will never be a better time to join in and help the village celebrate all that is good about our community. For most of the year all that is needed is a few hours of your time just once a month. Tasks are shared but the principle objective of the Committee is to enable local activity during the week's celebration.

Our Committee organises the parade and the afternoon fete on the Carnival Day and we co-ordinate other village people who organise and run their own events through the week.

The parade is a local favourite and a priority need is to find someone willing to take over its organisation, but don't be too daunted, we can effect a safe handover from some very experienced hands.

If you think you can help and want to know more then please get in touch via secretary@crowthornecarnival.org. We would be very happy to have a chat.

(Please note that Committee members are volunteers and get no fiscal reward.)

Steve Loudoun
Chairman
Crowthorne Carnival Committee
