

Crowthorne Parish Council COVID-19 Risk Assessment for re-opening the Parish Hall and conference rooms – Applicable to all bookings after 25 July 2020.

This risk assessment was updated on 8 August 2020 to reflect government guidance relating to the requirement to wear a face covering in a community centre.

Important Notes:

1. The COVID-19 Risk Assessment may need to be updated in the light of any new government advice that may be forthcoming.
2. This document should be read in conjunction with relevant legislation and guidance issued by government, professional bodies and local authorities.
3. Facility users and hirers are required to ensure they comply with the risk mitigation/minimisation measures contained within this document as a condition of attending their activities on site.
4. The risks identified as the responsibility of the hirer and/or their groups/activity participants transfer to the person responsible for compliance with the risk assessment measures at the activity for the duration of their hire activity.

Area or People at Risk	Risk identified	Actions to take to mitigate risk	Notes
Staff and contractors	<p>Cleaning or touching surfaces infected by people carrying the virus.</p> <p>Disposing of potentially contaminated waste e.g. tissues and cleaning cloths.</p> <p>Prolonged face to face interaction between staff, contractors and a member of the public with Covid.</p> <p>Staff who are either extremely vulnerable or over 70.</p> <p>Mental stress from handling the new situation.</p>	<ul style="list-style-type: none"> Wearing a face covering - Government guidance requires that 'you must wear a face covering in indoor settings.....including community centres'. <p>You are therefore expected to wear a face covering before entering The Parish Hall and conference rooms and must keep it on until you leave unless there is a reasonable excuse for removing it.</p> <p>In settings where face coverings are required in England, there are some circumstances where people may not be able to wear a face covering. Please be mindful and respectful of such circumstances, noting that some people are less able to wear face coverings, and that the reasons for this may not be visible to others.</p> <p>This includes (but is not limited to):</p> <ul style="list-style-type: none"> children under the age of 11 (Public Health England do not recommended face coverings for children under the age of 3 for health and safety reasons) people who cannot put on, wear or remove a face covering because of a physical or mental illness or impairment, or disability employees of indoor settings (or people acting on their behalf, such as someone leading part of a prayer service) - although employers may consider their use where appropriate and where other mitigations are not in place, in line with COVID-19 Secure guidelines police officers and other emergency workers, given that this may interfere with their ability to serve the public 	<ul style="list-style-type: none"> Staff and hirer guidance as to cleaning. For example, cloths should be used on light switches and electrical appliances rather than spray disinfectants, rubberised and glued surfaces can become damaged by use of spray disinfectant too frequently. Staff and contractors who have worked on the same day in close proximity will need to be informed if someone is tested positive for COVID-19 who has been on the premises. Details of a person's medical condition must be kept confidential, unless the employee/contractor/member of public agrees it can be shared. It is important people know they can raise concerns.

		<ul style="list-style-type: none"> - where putting on, wearing or removing a face covering will cause you severe distress - if you are speaking to or providing assistance to someone who relies on lip reading, clear sound or facial expressions to communicate - to avoid harm or injury, or the risk of harm or injury, to yourself or others - including if it would negatively impact on your ability to exercise or participate in a strenuous activity <ul style="list-style-type: none"> • Basic masks have been issued to cleaning/caretaking staff. • All surfaces which are frequently touched should be cleaned regularly using standard cleaning products. • Cleaning and caretaking staff have been issued with PPE (gloves and aprons) as set out in the <u>Government guidelines</u> for cleaning in non health care settings. • The key points from this guidance for the extra cleaning required if someone is taken unwell on the premises with a suspected case of Covid 19 are: <ul style="list-style-type: none"> - cleaning an area with normal household disinfectant after someone with suspected coronavirus (COVID-19) has left will reduce the risk of passing the infection on to other people - wear disposable or washing-up gloves and aprons for cleaning. These should be double-bagged, labelled, then stored securely for 72 hours then thrown away in the regular rubbish after cleaning is finished - using a disposable cloth, first clean hard surfaces with warm soapy water. Then disinfect these surfaces with the cleaning products you normally use. Pay particular attention to frequently touched areas and surfaces and door handles - wash hands regularly with soap and water for 20 seconds, and after removing gloves, aprons and other

Hirers to receive 30minutes before and after bookings free of charge to undertake cleaning. Hirers not wishing to undertake cleaning may request CPC to engage a contract cleaner and the hirer must pay all the costs associated with this. CPC will only facilitate such a hire if it is able to source cleaning contractors. Hirers must sign a check sheet confirming they have undertaken the necessary pre-hire and post-hire cleaning to ensure that participants at their activity, and staff and hirers using the facilities after the hiring group, are assured that Covid secure cleaning has been undertaken in line with this risk assessment and the hirer special terms and conditions. Do not allow use of any cushioned chairs. Social distancing and face covering guidance to be enforced 	<p>CPC to provide a check list for signature by hirers confirming that cleaning by hirers is undertaken before and after their hire activity.</p> <p>Cushioned chairs to be put out of bounds.</p> <p>Hirers to provide hand sanitiser in main hall for use during their sessions.</p> <p>CPC to provide hand sanitiser at main entrance.</p>
